# JUNE 10TH 2023

### QUALIFYING BASED ON MPH

For the first half of the day, racers will make passes in an open test & tune format. All fair-start runs under 65.99 MPH count towards qualifying.

### (9) MPH - BASED CLASSES

- 130-139.99 MPH CLASS
- 140-149.99 MPH CLASS
- 150-159.99 MPH CLASS
- 160-169.99 MPH CLASS
- 170-179.99 MPH CLASS
- 180-189.99 MPH CLASS
- 190-199.99 MPH CLASS
- 200-209.99 MPH CLASS
- 210+ MPH CLASS

*+2.00 MPH Break-Out Rule Applies to All Classes Except 210+ MPH*

All cars will be grouped based on their highest qualifying MPH. The top-8 from each group will advance to the single-elimination finals.

### HEADS-UP ELIMINATIONS

Top-8 cars in each MPH class will be paired off to run in a series of single elimination races where whoever crosses first wins. Runs must begin with a fair-start.
