

MIR Camper Village Rules & Regulations

See additional Rules for World Cup Finals-Import vs. Domestic at importvsdomestics.com

- No open fires or fire pits.
- Dogs are permitted but must always be on a leash. Please dispose of your dog's waste in a trash can.
- Campers and RVs are not permitted to park in the regular spectator vehicle parking lots. You must purchase an RV Camping Site to reserve and guarantee a spot.
- Conventional grills are permitted. Tow-behind commercial size grills are prohibited.
- Camping space includes one vehicle (RV or truck towing a camper.) If you have additional vehicles, they are permitted to park in your camping space if they fit completely inside your designated space. Each additional vehicle is required to purchase a preferred parking pass, in addition to camping and general admission fees.
- Your entire camp site must fit inside your designated space. Each site is measured and marked to a specific square footage. The border of your site is the beginning of another site. There cannot be any protruding bumpers, slide outs, awnings, etc. over the boundary of your camp site, including trailers.
- Everyone in your camper must purchase a weekend wristband. NO EXCEPTIONS
- If you need electrical power, please bring your own generators as there are no campsite hook-ups. We ask that you please direct all generator exhaust fumes up over your camper by a pipe and not to the side into your neighbor's camp site. This can be done with simple tubing purchased at an auto parts store or at Lowes or Home Depot.
- All front row spaces are 70 x 20ft. These must be sold first.

Call the office to reserve your spot at 301-884-9833

All trailers must fit inside the boundaries of your camping spot. If it will not fit, then leave it at home!

We want everyone in the camper village to have a great time! We ask that you exercise common courtesy to your neighbors regarding both noise and behavior throughout the event and at night.

ALL SALES ARE FINAL. NO REFUNDS.
